LIGHTS UP ON:

INT. APARTMENT (KITCHEN/DINING ROOM) - DAY

RONNIE and DIANE are sitting at the dinner table with their friend JEFF.

JEFF

I am so happy you two invited me over for dinner! All my cannibal friends have spoken so highly of your cooking!

DIANE

Aww thanks, Jeff! It's nice see-
(at RONNIE)
-someone-
(back to Jeff, smiling)
-be gracious.

RONNIE

(at Diane)
How many times do I have to apologize for calling your spaghetti and eye balls too dry last month?

DIANE

(smiling)
As many times as it takes for me to take you off my menu!

SFX: Laugh Track

JEFF

Well, if what Hannibal told me is anything to go by, this'll be the best meal of my life! But to be honest, I'm always a little nervous being invited to dinner by cannibals the first time. You never know if it's gonna be you!

SFX: Laugh Track

RONNIE

Don't worry, Jeff, we won't eat
you, as long as you don't chew with
your mouth open!

SFX: Laugh Track

DIANE

(to Ronnie)

Oh, come on!

(to Jeff)

Really you're such a nice guest,
and it's nice to know everybody
appreciates our cooking.

RONNIE

Everybody except my doctor
apparently!

SFX: Laugh Track

RONNIE (CONT'D)

He keeps telling me,

(impersonating)

"You gotta stop eating red meat."

(back to normal)

And I'm like, doc, that's my whole
thing! I can't resist the taste of
human flesh!

SFX: Laugh Track

JEFF

Ugh! What a drag!

RONNIE

Yeah don't worry, I won't be going
back to him again.

DIANE

Just finished his leftovers last
week.

SFX: Laugh Track

JEFF

There ya go! I'd be upset I can't
try him, but whoever you have in
the oven right now smells amazing!
What's on the menu? Back-n-cheese?
Ear-loaf? Little piggies-in-a-
blanket?

DIANE

Actually, I thought we'd mix it up tonight, so I made some slow-roasted fetuses!

RONNIE

A.K.A. The veal of cannibal cuisine!

SFX: Audience ooo's

DIANE

And for desert, I baked some lady's fingers!

SFX: Audience mmm's

Ronnie and Diane smile wide, but Jeff pauses, clearly uncomfortable.

JEFF

Oh, well I appreciate the thought, but actually the idea of eating that makes me quite uncomfortable.

DIANE

What do you mean, Jeff? You were just telling us how you killed and ate a lady last week. What're you on a vegan cleanse or something?

JEFF

No, Diane. You know me! Killing people, dismembering them, and eating them - sometimes out of order - that's what I do! Or my name isn't Jeffrey Dahmer.

SFX: Laugh Track

JEFF (CONT'D)

But when you start talking about fetuses, that's where I draw the line.

RONNIE

(tucking in a napkin as a bib)

But Jeff come on! They're delicious!

JEFF

I'm sorry, Ronnie, but I'm a practicing Catholic.

(MORE)

JEFF (CONT'D)
The body of Christ was my first
introduction to cannibalism-

SFX: Laugh Track

JEFF (CONT'D)
-and now,
(folds hands in prayer and
looks up)
I can just hear God's voice telling
me it's not right.

SFX: Laugh Track

DIANE
Oh Jeffrey, what's gotten into you!

JEFF
I'm serious. Those soon-to-be-
infants deserved a chance. And who
knows? Maybe one day they would've
grown up to be cannibals, just like
us.

SFX: Audience awe's

JEFF (CONT'D)
Sorry you two. I didn't mean to
ruin dinner. I just think killing a
fetus is a waste of an innocent
life.

DIANE
Well Jeff, you don't need to worry
then. We didn't kill these fetuses.
We found them in a dumpster outside
a Planned Parenthood!

RONNIE
That's not a waste, that's
recycling!

SFX: Laugh Track

JEFF
Oh, how environmentally conscious!
Well enough talk then. Let's eat!

All Cheer.
